

Woodcote Volunteers

COFFEE MORNING

We had a tremendous response and a busy, enjoyable morning at our fund-raising coffee morning at the Community Centre on 22nd October.

A huge thank you to all involved – the cake makers, helpers in the kitchen and café, the promoters, marmalade maker, raffle organiser and of course, everyone who came along to purchase food and drinks.

We are very pleased to have been able to provide a donation of £250 to Woodcote Medical Practice, which allowed them to purchase a hand-held ECG machine.

Ken Ison, our treasurer, handing a cheque to Dr Andy Goode with Jane Forde, secretary of Woodcote Volunteers to the right.

CHRISTMAS OPENING HOURS

Our Office will be open until Friday 23rd December to take calls from clients. It will be closed between Christmas and New Year but a volunteer will be dropping in each day, between 27th and 30th December, to pick up calls left on the answer machine. We will reopen on Tuesday 3rd January.

If you need a driver, please give us as much notice as possible.

OTHER NEWS

We are very pleased to welcome Angela, Brian, Christine and Mandy to our team of volunteer drivers. Angela will also be helping out in the office. We are very grateful to you all for giving your time.

Sadly, we have to say goodbye to Henry, who is leaving due to caring responsibilities. Thank you so much and you will be missed.

Due to increasing demand, we need more volunteer drivers. So if you are thinking of doing something different with your time in the new year, please consider this very enjoyable and rewarding option and do make contact! We would love to hear from you. Look at our website for lots of information about what it is like to be a volunteer driver. You can also call our office in opening hours.

To Finish.....

As usual, if you need a driver, please don't hesitate to give us a call on **01491 681171**. One of our office workers will answer the phone between 9.30 and 11am on weekdays (excluding public holidays) and you can leave a message on the answerphone at other times.
